What are we trying to achieve?

- Provide a united voice by creating a forum for parents and carers views
- Gather information from parents and carers and highlight common issues
- Work at national and local level representing your views on services for our children, young people and families
- Use the unique shared experiences that we have gained in raising our own families, to work in partnership with all agencies across Cornwall responsible for providing services to our children

Training

We offer training to parents so they feel more confident in their own knowledge and abilities which can help eventual employability.

Keep in Touch by working with parents, carers and professionals to create a network of information, advice and support through our website and social media.

Provide families with newsletters/ e-bulletins listing services, organisations, events and activities.

Run coffee mornings, encouraging parents to meet up and reduce social isolation.

Parent Carers Cornwall represents parents and carers within a range of services including Health, Therapy Services, Education, Short Breaks, Social Care, the Local Offer and you can help us ...
